

Dear Parent/Guardian,

Summer is here, our favorite time of the year. In just a little while, your student(s) will join with hundreds of other teenagers to be a part of something that is life changing. Being much more than just 'camp', 220 is a ministry intentionally designed for maximum impact. We believe through MUCH prayer, and careful, Spirit led consideration of how we program the week, God meets with us in powerful ways - and His Presence changes everything. We do not take the week we have together lightly. We hold high expectations of the students, student pastors, staff & crew leadership, adult leaders, churches attending, and guests that are a part of this amazing and holy week.

We desire to see a generation rise up in selfless faith to take a place of leadership in their culture... to bring change to the world ... and to be moved by Jesus in such a way that they walk in His power, for His glory, in His Name... with Kingdom vision. During our week you can expect that we will talk and teach students no differently than we would teach you, as an adult. Sadly, in this day and age, we believe students are forced to exist in an adult world - and are faced with adult pressures, temptations, and are forced to make adult decisions, more and more everyday. Combine this with the fact that not only do kids always want to be older than they really are, AND with the fact that our culture is forcing our kids to grow up too fast. Therefore, we capitalize off of that and raise the bar, set high expectations, and wait upon the Lord. He has been SO faithful for 13 years to meet with us in powerful, intimate, and life altering ways. We have seen revival, renewal, repentance, healing, calling to ministry, and lives being changed in ways that are indescribable and truly mind-boggling! WE LOVE WHAT WE GET THE PRIVILEGE OF DOING!

Our desire is to serve you, and your church. Please know, even if you can't come to be a part of camp with your students(s), you have a very important part to play -PRAYER!!! Commit daily to pray for your student (s). Watch the camp schedule and know when to pray and how to pray as they move through their day. Join in, and encourage others to join into the corporate prayer campaign that 220 sends to each church.

Please know... your student(s) left home one way, but may very well come back totally different. Consider Moses, in Exodus 33... When they get home, they may have the glow of God's glory on them... they very well may be totally changed. Please... encourage that, embrace that, & enjoy that. Many times we have heard stories of how families tore down students when they got home from camp, because they weren't fully aware of what had happened in their lives during those few holy days. Yes, when they left for camp, some may have been unbearable teenagers... but, God's presence does amazing things. As you pray - prepare and expect God to move so powerfully in their lives, that your kiddo(s) come home totally different!

This is the way you, as parents, have a huge part in this spiritual journey your student is on! One thing for sure, your student(s) will be prayed for BY NAME multiple times from many on our staff and intercession team. The other part you get to play in their 220 experience - is when they come home, pull out that testimony, and hold your student(s) accountable to what God has done, and is doing!

We, at 220, get to be a part of certain moments... but YOU get to cultivate their life!

Thank you for allowing us to be a part of your student(s) spiritual journey. We are humbled to be a part, and again ... we do NOT take it lightly. We promise to faithfully encourage, challenge, and carefully teach your student. Our desire is that they would prayerfully begin to search what it is they believe about God, and how they see Him - and why. We have seen that this is what will build their personal faith more than anything. The 220 staff joins with your church and student pastors, longing to see these students graduate and go on to higher education with God preeminent in their lives - not just prevalent.

We are praying for you, your student(s) and your church!

His Name, His Power, His Glory -

Kevin Jones
