Dear Parent,

Perhaps you have never attended a retreat or camp, nor has God called you to the camp "mission field." To a student worker, sweating all day and sleeping three to four hours a night for a week amongst hundreds of hormonal teenagers is a calling they can't explain. They believe wholeheartedly that the time and energy invested will assist the students in becoming spiritually and emotionally healthy young adults. This is their goal, and they need your help to achieve it.

In just a few short days, your student, other youth, and adult sponsors from your church will leave for an intense student week called 220. Having been involved with student ministry for more than 15 years, I have become increasingly aware of the battle that is raging for the hearts and minds of young people today. Because of this, I strongly believe now is time to press in and fight on behalf of the next generation rather than shrink back and give in. While you may be thinking, "What can I do? I'm not called to student ministry," please don't stop reading yet! You can make an eternal difference in the life of someone from your church. Here is how you can be involved. The week of 220 can be a time of deliverance and renewal for many students and adults, which will happen with prayer.

Scripture says, "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened." Matthew 7:7-8 And "For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ." 1 Corinthians 3-5

We need people who will commit to go to battle on behalf of these that God calls to be a part of 220 this summer, people who will commit to ask, seek, and knock on behalf of students and those called to work with them.

You can play a vital role in the life and future of your student/adult by committing to pray for them while he or she is at camp. I cannot emphasize enough the impact that your intercession to our Heavenly Father will have on the person's life that you commit to pray for. Please also pray for God's protection of Covid-19, and that it not become a distraction for what God wants to do! A card or letter of encouragement from you while at camp can also be a tremendous blessing to this individual. However, prayer is the most urgent need!

I want to thank each of you in advance for committing to pray. I know each of you will be blessed, and I can't wait to hear reports of how God ministered to you, your student, and your church during the week of 220!

God bless,

Sara Jones

Prayer Partner Instructions

Thank you for agreeing to pray for camp! We believe that prayer is our most important preparation! We desire to see God do a profound work in and through this generation, but we know we can't do it alone! We need prayer support from faithful and loving believers to pave the way in prayer. Our goal is to have someone, or multiple people, back home praying for every student & adult sponsor who attends camp. An additional prayer request this year is safety from all things, including Covid-19.

Camp 220 is built on Galatians 2:20, "I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me."

It's our mission to teach the generations to live the crucified life by faith so that the goodness and grace of God is made known to a watching world. Thank you for joining us in the exciting and weighty work of prayer and for holding prayer as one of the highest values with us.

You should receive a note card and wristband with this letter. The notecard has five (5) prayer points on it. As you pray, please include the prayer points and scripture. We love to pray scripture back to God because we know it's His will. Also, as you pray, please pray for the person by name and allow the Holy Spirit to guide you into more specific ways you can pray for them. The wristband can be worn as a reminder to pray for your student/adult every time you notice it. Hopefully it will remind you to pray multiple times throughout the day.

If you're feeling particularly inspired, send a card or letter of encouragement to the person you are praying for while they're at camp. It will be a tremendous blessing for them to know there's someone faithfully praying. You can send the letter to:

Person's Name
1200 Sycamore St.
Waxahachie, TX 75165

Thank each of you in advance for committing to pray. We know each of you will be blessed and we can't wait to hear reports of how God ministered to you, your people, and your church during the week of 220!

Blessings, The 220 Team
